

# Hoovers Instructions

---

Below is the log in into Hoovers. This database will allow you to look up contact information by almost any criteria, as well as look up a new customer/prospects SIC code so you can enter it into P21.

Petro1338

Once you log in, you can either search for a specific company or person by entering the search term in the white search box, or click "Build A List"

You can then select the location, the sic code, etc to create a list of targets.

You'll then get a list of results

Hoover's > Build A List > Company Search Results
